Consortium Concept**

Do You Have PD Needs?

- *If so, what are they and can we help?*

Proposed Regional Consortium

- *Has been implemented at Rappahannock and Lord Fairfax Community Colleges*
- *Partnership model including the Center and local school divisions*
- *Would allow for pooling of resources*
 - Access to wider variety of instructors, offerings and resources
- *Needs-based offerings*
- *On-site and off-site locations*

Funding

Based on a combination of:

- Annual membership fee (flat rate for all members)
- Number of teachers (varies by member)
- Composite Index of Local Ability to Pay (varies by member)
- Overall cost would be contingent upon:
 - number of school divisions
 - type of school divisions
 - School divisions' needs

Model Details

- *Credit courses which can be used for relicensure*
- *Noncredit courses which can be used for PD points*
- *Year-round offerings (flexible)*
- *Custom tailored coursework with co-design opportunities*
- *Meet the needs of licensed and non-licensed staff*

Summer Academy

- *1 week intensive schedule*
- *Most sessions are “all day”*
- *Sessions based on stated needs of partner divisions*
- *Care must be given to use topics that are appropriate for this type of one-shot design*
