INFORMATION PACKAGE

**Spring
2007**

Revised 10-Nov-06

Dear Nurse Aide Applicant,

Thank you for your interest in the Nurse Aide Program. Caring for others is a wonderful opportunity and you will gain the knowledge and skills to be able to care for those whose lives now depend on others in order to meet their daily needs. There are many opportunities for certified nurse aides today. The areas of employment include long-term care facilities, hospitals, and home health agencies. Knowing that you have made a difference in someone's life is a very rewarding and satisfying experience. The field of nursing is a very challenging one. Entering at the nurse aide level will enable you to explore the realities of nursing and help you to decide if this is the career choice for you.

On the attached pages, you will find the **DAY** and **EVENING** schedules from which to choose for the Spring 2007 sessions. I hope one of these schedules will meet your needs. Our course runs for eight (8) weeks. After completing this class, you will be eligible to take the national exam to become a Certified Nurse Aide. There is an \$80.00 application fee for the exam. In order to register for the national exam, payment is required approximately 6 weeks into the course.

This class will help you gain both the knowledge and practical skills that you will need to do well on this exam and to become a good employee in a long-term care facility, hospital, or home-health agency. Please choose the one schedule that you prefer and register for that section listed at the top. You need to plan to attend each of the listed classes and clinical days for the section you choose.

The tuition cost for this course is **\$407.75**. The new registration period for Spring Semester 2007 can be found on the following pages. The enclosed application must be turned in at least 48 hours prior to registration. **I strongly encourage each of you to register as soon as you can.** The sections fill quickly.

Please purchase the Textbook and Workbook in the Downtown Campus Bookstore and begin reading the first two chapters for the first class meeting, pages 1 to 70.

Text: Will-Black, Connie and Judith B. Eighmay. Being a Long-Term Care Nursing Assistant Fifth Edition. Prentice Hall. 2002.

Workbook: Will-Black, Connie and Judith B. Eighmay. Being a Long-Term Care Nursing Assistant. Fifth Edition. Prentice Hall. 2002.

PLEASE NOTE:

Criminal background checks will be required.

Anyone not present for the first two sessions of class must drop and take the class at a later date.

You will need to provide your own white uniform and shoes and a watch with a second hand. Further details will be given on the first day of class. Clinicals do not begin for 3 weeks into the course, so there is no need to purchase these items prior to class. **You must have a current (within one year) TB test report. Proof of this test will be asked of you on the first day of class.** You can go to the health department in the county/city where you live and they will do the test for you at a very low cost.

If you have never taken a course at J. Sargeant Reynolds Community College before, you need to do the following:

1. Complete the enclosed application to the college found in this packet. It takes 48 hours to process your application before you can register. **Please remember this important fact: You cannot register for the course on the same day you return your application.**
