

ASTRONOMY INSTRUCTOR

(PART-TIME)

The College is seeking an adjunct instructor to help develop and teach day or evening classes in Astronomy beginning Spring 2007.

QUALIFICATIONS REQUIRED: Master's degree with 18 graduate semester hours in Science, with emphasis on physics and at least one graduate course in astronomy and/or astrophysics.

QUALIFICATIONS PREFERRED: Related occupational experience, or teaching experience in one or more college level courses or high school Science teaching experience. Wide range of coursework and/or teaching experience throughout the physics subject area. Demonstrated ability to employ multiple teaching strategies to create student-centered classrooms and some experience in course development. Demonstrated ability to incorporate technology routinely into instructional and faculty responsibilities, as these courses are taught using hybrid-online formats. Demonstrated ability to work with students from diverse backgrounds. Strong written and oral communications skills.

APPLICATION PROCESS: Applications accepted until **March 1, 2007**, or until position filled.

Salary commensurate with the education and experience of the applicant.

For further information please contact Dr. Gayle Childers in the School of Mathematics and Sciences at (804) 523-5225 or gchilders@reynolds.edu.
